mod
Dispenser System
Designed for everyone. Built for you.

- * Innovative internal dispensing modules plug and play to give you the flexibility to build a dispenser customized to meet your requirements. *
- * As your needs change, your mod* Dispenser System changes without the hassle of taking down one machine and installing another. *
- * The mod* Dispenser System is sleek, it's hip, it's very now and very wow. It combines touchless technology with the bacteria-reducing benefits of drying with paper towels. *
- * The exterior of the mod* System can change from black to white to stainless in seconds. *

*** M-Series:**
Dependable touch-less dispensing without the batteries. Stub roll feature nearly eliminates waste. Modular Flexibility.

*** E-Series:**
Hidden Mode, Hanging Mode. Consumption Controls. Stub roll feature nearly eliminates waste. Modular Flexibility with long battery life.

*** NG-Series:**
Pre-Cut Hanging and Power Assist Mode delivers a "valet-like" experience. Control features that are more intuitive. Stub roll feature nearly eliminates waste. Modular flexibility with the longest battery life.
